*All available plans and applicable payment options, fees and disclosures will be presented to you during the enrollment process. Enrollment in and availability of plans may be subject to applicable state law limitations. An enrollment fee will apply and other fees may apply to the extent permitted by law. The Cashnet Full Service Payment Plan is administered by Higher One, Inc. dba Cashnet, a Transact Holdings Inc. company.

The enrollment fee is considered a finance charge which is defined by federal regulations as "the cost of consumer credit as a dollar amount." To make it easy for consumers to compare this cost to other forms of credit, Cashnet provides the equivalent annual percentage rate (APR), which takes into account a number of variables, including the number of payments, the term, and the amount financed. Maximum APR limits may be subject to applicable state usury laws.
