*Honor Roll
of Donors*

You BEING YOU LETS ROSE BE ROSE

Rose-Hulman has never been defined by rankings. As alumni and friends like you can attest, we make our own definitions, set our own course, and live our own standards. We don't seek admiration, but it often finds us. I've come to learn that our institution's strong character gets us recognized by rankings publications just by doing what we do best. I call this, "Rose being Rose."

You may have heard about our new ranking in the Wall Street Journal's Best Colleges in America Guide. In it, Rose ranks beside universities like Harvard, Stanford, Princeton, and Massachusetts Institute of Technology. This recognition, though not sought out, gives you an idea how we are regarded by students, alumni, and peers across the nation and world. It also makes me consider who is truly responsible for the consistent praise we are used to seeing in the Princeton Review, U.S. News and World Report, and many other journals and magazines — you.

Like Rose, our donors don't seek recognition, but you certainly deserve it. If you are listed on our growing donor honor roll in the next few pages, you are responsible for keeping us in such high regard. You allow us to hold our standards and punch above our weight when it comes to the intense competition of higher education.

While other college and university endowments are in the billions, ours is in the millions. And yet we still deliver the kind of education that earns us awards, rankings, and respect. This is why I want to thank you for all you have done and given to Rose. You understand how philanthropy works to maintain the strength and integrity of this special place of higher learning. Of course, if you want to help us get our endowment into the billions, my contact information is below. I would love to talk.

Which brings me to an announcement about our Chauncey Rose Society. Starting over 47 years ago, as an opportunity to invest in the future of Rose, members gave a minimum of \$50,000 to join. In today's numbers, that would be close to \$275,000. While of course all current members of the society are lifetime members, we will be updating our gift amounts for new members to reflect \$100,000. Find more information on Page 47 to learn more or send me a note.

Once again, thank you for being part of our Honor Roll of Donors. Your generosity is just you being you, and it lets Rose be Rose, and lets our students become themselves. Thank you from us all.

Very Sincerely,

Steven P. Brady
Vice President for Institutional Advancement

IMPORTANT ANNOUNCEMENT

Changes Coming to Chauncey Rose Membership Amounts

For nearly 50 years, investments in the Institute's Chauncey Rose Society have paved the way for the college and its students to achieve their future goals and aspirations. However, in recent years, the \$50,000 minimum membership amount hasn't had the same impact as previous donations.

In today's numbers, an original \$50,000 gift would have a value of close to \$275,000.

That's why, **starting in 2025**, future Chauncey Rose Society members' giving level is being increased to **\$100,000**.

All current members will remain as they are listed and continue to be honored under their previous commitments.

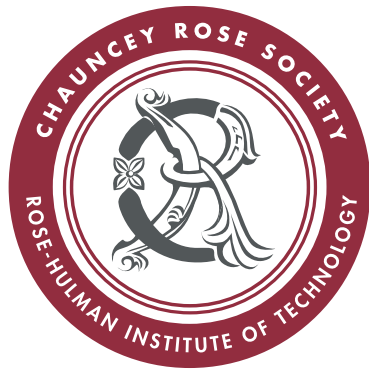

So, if you have been interested in reaching the Chauncey Rose Society level, this is your **last opportunity** to support Rose under the \$50,000 benchmark. **In 2024**, you will be able to join with your gift or pledge commitment to achieve the **\$50,000** benchmark. **In 2025**, the new bar will be set to **\$100,000**.

Your support plays a vital role in our institution's mission, and we're grateful for your commitment to our cause. Together, Chauncey Rose Society investments will continue to make a significant impact.

Contact the Office of Institutional Advancement for details.

A Father's Legacy

Cindy Thomas Kalkomey and Kurt Kalkomey have established a scholarship fund supporting first-generation female students at Rose-Hulman in loving memory of Cindy's father and late alumnus **Charles "Ted" Thomas** (EE, 1943). Supporting students is a way of fulfilling the couple's personal mission of helping "give others the opportunity to succeed and live without fear."

Supporting Chemical Engineering Faculty

Associate Professor Sharon Dutrow, PhD, is the first recipient of an endowed professorship in chemical engineering, established by **John Swearingen** (CHE, 1981) and his wife, **Anne**, to recognize Rose-Hulman faculty who are committed to excellence and innovation in their fields and in educational pursuits. This is part of the couple's support to Rose-Hulman's Department of Chemical Engineering.

The Building Blocks of Mechanics

The principles of mechanical engineering that paved the way to a successful career for **Richard Bunce** (ME, 1968) are being reinforced in the Department of Mechanical Engineering's Materials Laboratory, named in honor of the generous estate gift from the late **Richard and Wanda Bunce**. The lab has digital microscopes and tensile testing equipment that's used by students for independent projects and coursework in materials engineering and other mechanical engineering classes.

**BUNCE
 MATERIALS LAB**

In memory of
**Dick Bunce '68 and

Making Sure Students Get Off to Strong Start

Helping first-generation students prepare for the rigors of studying calculus and getting acclimated to college life is **David Hummel** (CHE, 1980) and his wife, **Jane**, who chose to support the Rose Prime program. The two-week summer mathematics primer helps incoming first-year students prepare for an excellent experience on campus. Rose Prime received an Inspiring Programs in STEM Award from INSIGHT into Diversity magazine for inspiring and encouraging the next generation of STEM professionals.

Remembering A Special Place

As the son of Zambian parents, **Anilkumar Patel** (CHE, 1979) grew to deeply appreciate Rose-Hulman's caring campus and the career opportunities that the Institute opened for him. He moved to America in 1974 at age 14, graduated high school at 15 years old, and decided to attend Rose-Hulman to study chemical engineering. "(Anil) was a very calm person who analyzed everything around him," said his sister **Asha**. At Rose-Hulman, Anil thrived in the Phi Gamma Delta fraternity, whose brotherhood became a big part of his life. Because the Institute and its students had such a positive influence on Anil's life, **Asha Patel** and her husband, **Bharat**, established the Anilkumar C. Patel Scholarship Endowment to honor Anil's legacy and "we hope this scholarship helps many others to achieve their life goals."

And the list keeps growing...

This year Founders Luncheon had a record breaking attendance and Chauncey Rose Society jacket presentations. New Chauncey Rose Society members recognized were **Alison Bailey** (EE, 2003) and Andrew Medico, **Alan Bechtel** (EE, 1964) and Martha Bechtel, **Brad Bechtel** (ME, 1992), **Ed Brett** (CHE, 1983) and Lorna Brett, **Wes Davis** (EE, 1987) and Jennifer Davis, **Kevin Lanke** (ECON, 1997) and Steph Lanke, **Ray Lepp** (ME, 1963) and Penny Lepp (both not pictured), **Mark Nagy** (CHE, 1980) and Gulmira Nagy (not pictured), **Kelly Noel** (EE, 2002) and Hans Noel, George and Sarah Novosel (not pictured), **Sandor Pethes** (CS, 2002) and Dinah Pethes, **Chip Ray** (CE, 1986) and Beth Ray, and **Kevin Turpin** (CE, 1983) and Cathy Turpin (both not pictured). New Chauncey Rose Society Fellows are **Dave Hoecker** (ME, 1969) and Susan Hoecker.

Providing the Tools to Get the Job Done

Milwaukee Tools has become a Diamond Corporate Partner for the institute, supporting the next generation of technical leaders and innovators – many of whom have become employees and interns with the growing manufacturing company. This support has included a donation of more than \$50,000 in innovative tools for the Department of Mechanical Engineering and Rose-Hulman competition and project teams in the Branam and Kremer Innovation Centers.

VAR SITY CLUB

Varsity R Club Patrons

This list includes gifts totaling \$250 or more to the Varsity R Club from July 1, 2022, to June 30, 2023.

This group gives alumni, alumni athletes, parents, faculty and staff, and friends of the institute a way to join together in support of current and future Rose-Hulman student-athletes. Recognizing annual gifts from July 1, 2022, to June 30, 2023.

1888 Circle

1888 is the first year Rose-Hulman participated in intercollegiate athletics.

- Hall of Fame: \$5,000 and above
- All-American: \$2,500 to \$4,999
- All-Conference: \$1,000 to \$2,499

Rosie Circle

Rosie the Elephant first appeared in 1923, rallying the Fightin' Engineers to a 19-0 victory over Indiana State University in the homecoming football game.

- Gold: \$500 to \$999
- Silver: \$250 to \$499
- Bronze: \$100 to \$249

Our Cup Runneth Over

Varsity R Club support has helped Rose-Hulman maintain one of the most successful athletic programs at the NCAA Division III level. The Fightin' Engineers earned the Heartland Collegiate Athletic Conference's Commissioner's Cup for all-around sports supremacy and men's all-sports trophy for the 2022-23 academic year. HCAC championships were achieved in men's soccer, cross country, swimming and diving, and indoor and outdoor track and field, along with women's golf and indoor track and field.
