

Student questionnaire for ES 202

Name:

Major:

Class:

What area(s) in engineering interests you the most?

Rank your interest in fluid mechanics and thermodynamics on a scale from 0 to 5 (5 being extremely interested) and comment if appropriate.

Tell me your honest comments on ES 201?

What is your expectation from this course?

Have you thought of any plan after graduation?

Any further comments not covered above?

(Return to Box 150 or O-219 upon completion)
