

Rose-Hulman Institute of Technology FACILITIES OPERATIONS	Facilities Operations Policy Manual Policy: Campus Signage
Prepared By: Wayne A. Spary	Revision Date: Revision #:
Approved By: Wayne A. Spary Signature:	Effective Date: 12/19/05 <div style="text-align: right;">Page 1 of 1</div>

1.0 Purpose

- 1.1 The goal of the signage policy is to provide an attractive and comprehensive visual identity for the Rose-Hulman environment by requiring all permanent interior and exterior signage be consistent in design and installation.

2.0 Policy

- 2.1 All requests for permanent interior and exterior signage will be reviewed by the Office of the Vice President, Facilities Operations. The office is responsible for ensuring all signage is in compliance with Institute design standards.
- 2.2 Requests for new or modified signage will be initiated through one of the following processes:
 - Facilities Operations Sign Request Form via the Facilities Web Site
 - Capital Project Process

3.0 Associated Documents

- 3.1 Design and Construction Standards – 10426 Signage
