

## Rose-Hulman Astronomy Club Meeting Minutes for 2009-01-22

### **Astronomy Fact of the Week**

It costs approximately \$10,000 to launch one pound into space.

- In celebration of the International Year of Astronomy, we are hanging posters in the physics hallway next week. If you're interested in helping out, the tentative times are:
  - Wednesday at 2 PM
  - Thursday 4th and 5th hour
  - Friday 3rd, 4th, and 7th hour
- We were able to do some great observing this week. Thanks to everyone who came out!
