

Rose-Hulman Astronomy Club Meeting Minutes for 2009-04-09

- Elections for next year's officers were held. The new officers are:
 - President: Gina Olson
 - Vice President: Emily Walker
 - Treasurer: Peter Maginot
 - Web Master: Jeremy Nickol
- We still have enough money for another green laser, so Peter will order that soon.
- The Turkey Run trip is tentatively scheduled for the end of week 8 or 9, depending on the weather.
- We would like to have a Constellation Party during the next meeting, or possibly the weekend after 6th week, weather permitting. We would look out with no telescopes and try to identify the constellations and perhaps discuss how and why they were named.
- We will look into reallocating some of the money left over from the laser and binocular funds to purchase more astronomy DVDs.
