

**CHE 540 Advanced Process Control class celebrated the end of the year with a “special” cake.**

Below is photo of the DeltaV cake and information that appeared on the Emerson website:

“For those not familiar with the look of [DeltaV](#) controller and I/O subsystem, here's what it looks like when it's a chocolate cake:

Emerson's DeltaV team is honored to be a part of Professor Atanas Serbezov and his Advanced Process Control class at the [Rose-Hulman Institute of Technology's Department of Chemical Engineering](#) in celebration of completion of another successful semester. “
