E Eye protection (safety glasses/goggles) and closed toe, solid sole footwear required for all individuals at lab bench when solder equipment being used at that specific bench or when within 4 ft. of operating equipment in the E 107 workshop

F Solid sole footwear required in any part of lab, glove or finger footwear are not considered solid sole

\*\*\* – additional requirement of closed toe shoes in B 100, D 114, and E 107

G at least two students must be present in lab outside the normal workday hours of 8:00 AM – 5:10 PM (08:00 – 17:10) Monday – Friday.

H no lab usage 5:10 PM – 8 AM Monday – Friday and all day Saturday and Sunday unless approved in writing by department chair or faculty member

### – no workshop usage unless ECE Technician is present

## D 114 Lab

Solid sole footwear must be worn at all times while in the lab for any reason. Glove or finger footwear is not considered as closed toe or solid sole and thus is not permitted at anytime within the lab.

Additionally, closed toe, solid sole footwear must be worn within 4 ft. of the lab benches. No loose fitting clothing (e.g. ties, scarfs, long necklaces) are allowed within 4 ft. of the lab benches. Long hair must be tied such that it is not loose or hanging in such a way that it could potentially get caught in the moving equipment when within 4 ft. of the lab benches.

No food or drinks are permitted within 4 feet of any lab bench. Food and drinks are allowed to be placed on the front table and tables in center of room. Anyone with drinks and/or food stuffs must remove or dispose of the material at the conclusion of their lab period(s). Food and/or drinks contained in backpacks and/or closed or sealed containers/packages may be kept on the floor during the lecture/lab period but **MAY NOT** be opened or consumed within 4 ft. of lab benches, food and drinks allowed on front table and tables in center of room.

No soldering, drilling, sawing, and/or non-circuit fabrication allowed. Electrical and wiring connections of components using “breadboards”, wire wrap, and/or chip sockets are permitted.

Lab usage permitted testing available between 8:00 AM and 5:10 PM Monday through Friday. Lab usage at other times must be approved in writing by the ECE department chair or ECE department faculty member.

At least two students must be present within the lab at anytime lab equipment is being used or testing is being conducted. Devices, circuits, systems under test may NOT be left unattended unless all test equipment has been turned off. Any material left unattended in the lab is done so at the individuals own risk. The ECE department is not responsible for material left unattended in the lab.
