

Data/Points

Hey Freshmen! Over the summer we asked you to fill out the Student Information Questionnaire (SIQ). This information enables the faculty and staff to improve the Rose-Hulman student experience. In case you were wondering, here is a glimpse of what your peers thought (N=373).

If you thought writing would be the most difficult academic area, you're not alone.*

50%
felt the same.

45%
of you intend to obtain a Master's degree.

When estimating your "study" time this first year

68%
plan to spend more than 10 hours/week.

**If you would like to improve your writing skills, the Learning Center is always available to you as a resource.*
