To Whom It May Concern,

I am requesting that my paper be considered in the Fall issue of 2009. Under the guidance of Dr. J. Alan Alewine of McKendree University, I participated in a Research Experiences for Undergraduates (REU) program sponsored by the Mathematical Association of America and funded the National Science Foundation and the National Security Agency. The REU internship began in June 23, 2009 and proceeded until July 31, 2009 and was taken place at McKendree University in Lebanon, IL.
