

## Should you go to graduate school?

What: Forum on graduate school to address questions like:

- Why would someone go to graduate school instead of getting a job?
- What kind of graduate school?
- What is engineering graduate school like?
- How do you pay for engineering graduate school?
- What should you be doing if you think graduate school is right for you?

When: Wednesday April 9, 6:00 pm

Where: Olin 257

Drs. Stienstra (Texas A&M 1990), Olson (MIT 1985), and Cunningham (Purdue 2006) will be there to answer questions and tell some stories. This is intended primarily for juniors, but sophomores and freshmen are also welcome to attend.

Even if you can't attend, check out the web site at
