AEROSPACE STUDIES

LTC Paschall, Capt Buchanan, Capt Aufderheide

AS 101 The Air Force Today I  1R-3L-1C  F  Pre: None

This is a survey course designed to introduce students to the USAir Force and ROTC. Featured topics include: mission and organization of the Air Force, officership, professionalism, military customs and courtesies, Air Force officer career opportunities, group leadership exercises and an introduction to communications skills. A Leadership Laboratory complements this level of the AScurriculum by providing cadets with followership experiences.

AS 102 The Air Force Today II  1R-3L-1C  W  Pre: None

This course is a continuation of the first quarter course designed to acquaint the student with the modern Air Force and its missions.

AS 103 The Air Force Today III  1R-3L-1C  S  Pre: None

This course is a continuation of the second quarter course designed to acquaint the student with the modern Air Force and its missions.

AS 201 The Air Force Way I  1R-3L-1C  F  Pre: None

This course is a survey course designed to facilitate transition to the Air Force commissioning program. Featured topics include Air Force heritage, Air Force leaders, Quality Air Force principles, introduction to ethics and values, group leadership exercises, and continued application of communication skills. A Leadership Laboratory complements this level of the AScurriculum by providing cadets with followership experiences.

AS 202 The Air Force Way II  1R-3L-1C  W  Pre: None

This course is a continuation of the first quarter course designed to acquaint the student with Air Force heritage and environment.

AS 203 The Air Force Way III  1R-3L-1C  S  Pre: None

This course is a continuation of the second quarter course designed to acquaint the student with Air Force heritage and environment.

AS 301 Air Force Leadership and Management I  2R-3L-3C  F  Pre: Enrollment in Professional Officer Corps

This course studies leadership and quality management fundamentals, professional knowledge, Air Force doctrine, leadership ethics, and communication skills required of an Air Force junior officer. Case studies are used to examine Air Force leadership and management situations as a means of demonstrating and applying concepts being studied. A mandatory Leadership Laboratory complements this course to provide students the opportunity to apply leadership and management principles.
AS 302  Air Force Leadership and Management II  2R-3L-3C  W  Pre: Enrollment in Professional Officer Corps

This course is a continuation of the second quarter course designed to acquaint the student with analytical aids used by managers in planning and organizing.

AS 303  Air Force Leadership and Management III  2R-3L-3C  S  Pre: Enrollment in Professional Officer Corps

This course is a continuation of the second quarter course designed to acquaint the student with analytical aids used by managers in planning and organizing.

AS 401  Preparation For Active Duty I  2R-3L-3C  F  Pre: Enrollment in Professional Officer Corps

This course examines the national security process, regional studies, advanced leadership ethics, and Air Force doctrine. Featured topics include: military as a profession, officership, military justice, civilian control of the military, preparation for active duty, and current issues affecting military professionalism. Within this structure increased emphasis is placed on communication skills. A mandatory Leadership Laboratory complements this course by providing the opportunity to apply advanced leadership principles.

AS 402  Preparation For Active Duty II  2R-3L-3C  W  Pre: Enrollment in Professional Officer Corps

This course is a continuation of the first quarter course designed to acquaint the student with aspects of life as an Air Force officer.

AS 403  Preparation For Active Duty III  2R-3L-3C  S  Pre: Enrollment in Professional Officer Corps

This course is a continuation of the second quarter course designed to acquaint the student with aspects of life as an Air Force officer.

AS Leadership Laboratory  F,W,S  Pre: Enrollment in either AFROTC General Military Corps or Professional Officer Corps

This class meets once a week and is mandatory for all AFROTC cadets who apply for membership in the officer training corps. Cadets are given the opportunity to apply leadership concepts and principles, and to practice critical skills needed to be effective Air Force officers. Laboratory activities include physical fitness training, communication exercises, drill and ceremonies, and officership experiences.
