Exercise 3 – think about these and then we will discuss

What perception do your teammates have of you – do you think they see you differently than you see yourself?

Among the respectful behaviors, which ones are the most difficult for you to practice on a regular basis? Which ones are the easiest for you? Why?

Among all the negative, disrespectful behaviors, which ones bother you most when done to you? Why?

Why is respect so important for effective teamwork? How does a lack of respect help to break down teamwork?

What impact does culture (corporate, ethnic, national) have on respect? What are some examples of behavior considered disrespectful in one culture that would be perfectly acceptable in another culture?
