I, _________________________________, understand that the ROSE-BUD program includes a scholarship component as well as several required program activities. In order to remain eligible

1. I must remain enrolled full time in the department of Electrical and Computer Engineering or Computer Science and Software Engineering at Rose-Hulman.
2. I must remain in good standing and maintain a minimum cumulative GPA of 2.75.
3. I must meet with my academic advisor/mentor at least once per quarter.
4. I must complete a four-year plan of study at the beginning of my 1st quarter and meet with my academic advisor/mentor before making any changes to the approved plan.
5. I understand that there will be approximately 5 professional development or network activities during the school year and I must attend at least one per quarter.
6. I must complete at least two internships, co-ops or REUs during my four-year matriculation.
7. I understand that I will receive the scholarship for up to a maximum of four years based upon the annual renewal evaluation.

After taking a personal inventory of my circumstances, I feel that I am able to commit the required time and effort to be successful in the ROSE-BUD scholarship program and the Electrical and Computer Engineering academic program.

By signing this contract, I attest that it is a fair and binding agreement. I understand and agree to all terms of the contract and will make a good faith effort to adhere to them.
