## Three Levels

Choose between Preferred, Signature, or Elite partnership programs, starting at a cost of \$1,000 per academic year, that include a variety of marketing and advertising options. Some options are:

- Logo rotation on our web pages
- Spotlight ads
- Advertising across campus on our eBoard Network (electronic bulletin boards)
- Priority placement at all three career fairs
- Large banner displays
- High-impact recruiting events planned around your company's sponsorship or customized events/information sessions created specifically for your needs

Support of the partnership program assists us in developing recruitment-focused activities on campus, sponsoring students to attend conferences, and developing programs and services that assist students in their job search, such as workshops and peer advisor programs.
