ROSE-HULMAN
INSTITUTE OF TECHNOLOGY

This is Rose-Hulman

INTRO
ROSE

WHY ATTEND ROSE-HULMAN?

At Rose-Hulman, you will receive an undergraduate education that is recognized nationally as the best of its kind. Students are taught by faculty who are nationally known for their commitment to teaching, to undergraduate education and to meeting the needs of every student.

Choose from 16 Academic Majors:

- * applied biology
- * biochemistry
- * biomedical engineering
- * chemical engineering
- * chemistry
- * civil engineering
- * computer engineering
- * computer science
- * economics
- * electrical engineering
- * engineering physics
- * mathematics
- * mechanical engineering
- * optical engineering
- * physics
- * software engineering

One-on-One Attention:

- * 12:1 student to faculty ratio
- * 158 faculty members who know you by name
- * 100% of faculty hold a Ph.D.

Placement:

- * Career placement over 90% annually
- * Average starting salary -- **over \$60,000**
- * 20% of graduates go on to graduate school

Campus Expansion and Improvement:

Rose-Hulman has continuously expanded its student life and academic facilities for more than a decade. New buildings include:

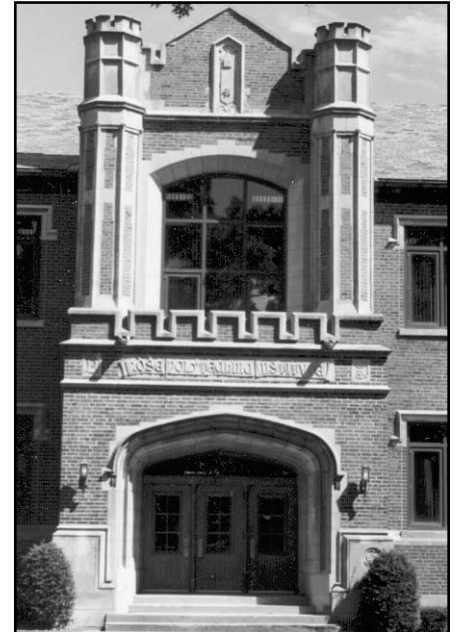

- * New football field playing surface, 2010
- * Apartment Residence Hall, 2004
- * Hatfield Hall Alumni Center and theatre, 2002
- * Outdoor track and new football field, 2002
- * White Chapel, 2001
- * New football practice and intramural fields, 2000
- * Percopo Residence Hall, 1999
- * Sports and Recreation Center, 1997
- * Cook Stadium (Football), 1997

Accolades:

- * *U.S. News and World Report* top category ranking
- * *2010 Fiske Guide to Best Colleges*
- * *Princeton Review's* Best 371 Colleges
- * "*Barron's Guide to the Most Prestigious Colleges*"

Rose-Hulman Institute of Technology continues to provide a nationally acclaimed education to the next generation of innovative engineers and scientists.

Rose-Hulman is a private, fully accredited college of engineering and science located on a 200-acre campus just east of Terre Haute, Indiana. Rose-Hulman's education is "problem-solving" oriented and prepares graduates for careers in science, engineering, medicine, law and business.

The college offers a rigorous, hands-on education that stresses technical and interpersonal skills in an environment characterized by close personal attention for every student.

With an enrollment of 1,900 undergraduates and 100 master's-level students, Rose-Hulman provides access to modern laboratories, quality teaching and state-of-the-art equipment.

Rose-Hulman's success is reflected in the quality of its student body, faculty and staff; the accomplishments of its alumni; and the reputation it has within American industry.

For the last 12 years, *U.S. News & World Report* magazine has named Rose-Hulman as the best college in the nation, among colleges that only award bachelor's and master's degrees in engineering. Five of Rose-Hulman's engineering departments have also been ranked No. 1.

Rose-Hulman is molding the leaders that are helping propel America into the 21st century. For 25 years, the college has achieved an over 90-percent placement rate at Commencement.

TOP RECENT EMPLOYERS OF ROSE-HULMAN GRADUATES:

ON THE COVER:

Seniors (clockwise L to R) Kyla Lutz, Allison Faber, Rebecca Bowermaster and Kayla Yano lead the Rose-Hulman Softball Team into the 2011 season.

Softball Coaching Staff

HEAD COACH BRIAN SHEARER

Brian Shearer led the softball team to its first conference regular season championship in 2008 and has raised three league division title banners to the Rose-Hulman Softball Field since his arrival nine years ago.

Shearer led the 2004 and 2005 squads to Southern Collegiate Athletic Conference Eastern Division titles prior to earning the outright Heartland Collegiate Athletic Conference league title in 2008.

The 2008 squad set school records for victories (25) and winning percentage (.676) to nearly double its win total from an injury plagued 2007 campaign.

Shearer led the Engineers to an improvement of 19 victories in 2004 and helped the team earn the SCAC Eastern Division crown. In 2005, the team finished 11-1 in league play on their way to back-to-back SCAC East titles. Rose-Hulman has finished in the top half of the conference in four of the last five seasons, including last spring, to emerge as a perennial contender for league and NCAA Tournament honors.

During Shearer's tenure, several players have earned all-league and National Fastpitch Coaches Association (NFCA) recognition for their efforts on the diamond. Twenty-four players have earned all-conference honors at Rose-Hulman

under coach Shearer, highlighted by HCAC Pitcher of the Year Jordan Goslee in 2008. The NFCA has awarded seven all-region honors to Rose-Hulman players, including the first two-time honoree in Ashley Montgomery.

Shearer also serves as an assistant facility director and the college's coordinator of human performance in the Rose-Hulman Sports and Recreation Center. Prior to Rose-Hulman, Shearer served as the wellness and aquatics director at Seward County Community College (Kan.) for four years. In 1999, He added softball coach to his resume.

As the softball coach at Seward County, Shearer was able to take a newly created program from a last-place finish in his first year to a third-place divisional finish in his second. Today, the program is one of the top teams in the Jayhawk conference.

A Clinton native, Shearer completed his bachelor's degree in Physical Education-Sports Studies at Indiana State University, before earning a master's degree in Kinesiology from Indiana University in Bloomington. He owns three national certifications and completed an internship with the National Institute for Fitness and Sport in 1997.

Brian and his wife, Shellina, live in Brazil with their daughter Abigale.

ASSISTANT COACH CARRIE CORMICAN- PICKENS

Carrie Cormican-Pickens begins her second year as the assistant softball coach at Rose Hulman this spring.

Cormican-Pickens joined the Engineer coaching staff after spending seven years as a board member and President of the Clinton Girls Softball League.

Cormican-Pickens played collegiately at St. Mary-of-the-Woods College, prior to earning her bachelor's degree.

Totals	2000-10	153	218	.412

Softball and Athletic Facilities

Rose-Hulman's athletic facilities are among the nation's best at the NCAA Division III level. The \$20 million Sports and Recreation Center was constructed in 1997 and features a 2,000-seat competition arena for basketball and volleyball, an NCAA regulation natatorium, a weight room and fitness center, a sports medicine complex, an Athletic Hall of Fame, and a fieldhouse containing a 200-meter indoor track and four basketball court-sized playing areas.

The Rose-Hulman Softball Field is also a state-of-the-art facility. The Softball Field contains lights, an inning-by-inning scoreboard, and a press box featuring air conditioning and heating. The facility includes finished dugouts for both squads, double-circle bullpens that are located off the field of play, bleachers on both the first and third base side, a state-of-the-art field drainage system, and a storage shed for equipment behind home plate.

Sports and Recreation Center

Seven Rose-Hulman softball players have earned all-region honors since 2004.

Rose-Hulman Institute of Technology looks to earn its third winning season in the past four years and compete for a top-four finish in the HCAC standings this season. The top four squads qualify for the league's postseason tournament.

The Fightin' Engineers return five starting position players and three of the teams four pitchers who threw innings during the 2010 season. Rose-Hulman must replace significant holes after the graduation of the team's pitching ace, starting third baseman and starting center fielder.

The mix of experience and youth will serve the Engineers during a transitional year. Rose-Hulman also produced one of the league's top defensive efforts last spring.

A position-by-position preview of the 2011 squad is below.

PITCHING

Rose-Hulman must replace one of the top pitchers in school history but return a deep nucleus of options in the circle.

Jordan Goslee graduated as the college's career leader in wins (38), strikeouts (513) and shutouts (15). She also tossed the first perfect game in Fightin' Engineer history and was named HCAC Pitcher of the Year in 2008.

Senior **Kyla Lutz** offered the primary second option for the pitching staff last season. Lutz finished 4-2 with a 2.48 earned run average in 48 innings of work. She also tossed 11 innings to pick up a victory against Franklin in 2009.

Sophomore **Brianne Widmoyer** emerged as one of the top hitters and another pitching option during her first season. Widmoyer was 2-1 with a 1.96 earned run average and three complete games in four starts. She also batted .300 as a multiple position player.

Sophomore **Alyse Mueller** added another pitching option with a 2-2 mark in four starts and seven appearances, including her first college save.

CATCHER

Senior **Allison Faber** enters her third year starting behind the plate for the Engineers.

Faber batted .263 with 21 hits, three doubles and one home run. Defensively, Faber has committed just three errors in two years as a starter.

Newcomer **Allison Bowman** of Fort Wayne adds depth behind the plate.

Kayla Yano has appeared in 93 varsity games.

INFIELD

The mixture of experience and youth featured throughout Rose-Hulman's roster is perhaps best shown on the team's infield.

Senior middle infielder **Kayla Yano** offers the most experience among the returnees. Yano batted .247 last season with five doubles and has appeared in 93 varsity games.

Widmoyer appeared in all 30 games with 27 hits, eight doubles and 12 RBIs as a freshman. She offers an option at the third base position.

Lutz has started for three years in the Engineer offense with 88 hits, 35 runs scored and 11 doubles. She also committed just three fielding errors with a .980 percentage and plays multiple infield spots.

Senior **Rebecca Bowermaster** led the Engineers in batting average at .368 with seven hits in 19 appearances. Bowermaster also finished a perfect 1.000 in the outfield and can provide first base depth.

Mueller batted .222 as a freshman with 14 hits and three runs scored. Another option at first base, Mueller committed just one fielding error in 26 chances in 2010.

Freshman **Jenna Martinek** will battle for infield time after a standout high school career in Missouri. Bowman can also offer an option at third base.

OUTFIELD

The outfield reflects the most youthful portion of the 2011 Fightin' Engineer roster.

Bowermaster and Yano each bring multiple years of game experience to the outfield. Bowermaster has played left and right field during her career, with Yano gaining some varsity time in right field.

Sophomore **Kayla Irwin** played in nine varsity games last season before missing the rest of the year to injury.

Senior **Molly Richardson** joins the softball roster after a women's soccer career that resulted in the second most goals (52) and points (128) at Rose.

Three newcomers will also compete for time in the outfield. Martinek is joined by **Mary Schultz** of Harrison, Ohio, and sophomore **Sierra Ward** from Apple Valley, California.

The designated player role will likely be served by either the pitcher or a reserve outfielder within the Engineer lineup.

Brianne Widmoyer batted .300 as a freshman.

Softball History of Excellence

Ashley Montgomery became the first Academic All-American and first two-time all-region honoree in Rose-Hulman softball history.

FIRST CONFERENCE TITLE HIGHLIGHTS FIRST DECADE OF ENGINEER SOFTBALL

The Rose-Hulman Institute of Technology softball program entered its second decade in 2010 with a tradition of excellence that includes one league regular season title and three division championships. Rose-Hulman titles include the 2008 Heartland Collegiate Athletic Conference regular season championship and Southern Collegiate Athletic Conference Eastern Division regular season titles in 2001, 2004 and 2005.

In 2008, Rose-Hulman recorded five first-team all-HCAC selections as part of its league title team. Jordan Goslee was named HCAC Pitcher of the Year, with outfielder Brittany Bernthold, infielder Katie Frey, designated player Kyla Lutz and infielder Ashley Montgomery named all-conference.

Rose-Hulman's conference title also led to the first Academic All-American selection in program history. Montgomery was honored after completing her career ranked in the Rose-Hulman top five in 15 categories. The Engineers finished with a school record mark of 25-12 during the 2008 campaign. The mark was highlighted by a 13-3 regular season HCAC record that allowed Rose-Hulman to host the conference tournament championship, after a sweep of Hanover College on the last day of the regular season.

The tradition of Fightin' Engineer softball excellence began prior to the 2008 season, however. Rose-Hulman's first 10 seasons feature seven all-region honorees from the National Fastpitch Coaches Association; 32 all-conference selections; eight academic all-district awards; and 62 academic all-conference accolades.

SEASON IN REVIEW

ROSE-HULMAN SOFTBALL HONORS AND AWARDS

Team Accomplishments

- 2008 - HCAC Regular Season champions
- 2005 - SCAC Eastern Division champions
- 2004 - SCAC Eastern Division champions
- 2001 - SCAC Eastern Division champions

All-Region Selections (7)

- 2008 - Jordan Goslee (2nd Team)
- 2008 - Ashley Montgomery (3rd Team)
- 2006 - Ashley Montgomery (1st Team)
- 2006 - Jennifer Pint (3rd Team)
- 2004 - Amanda Bower (1st Team)
- 2004 - Lauren Clark (1st Team)
- 2004 - Lynsey Hart (2nd Team)

All-Conference Selections (32)
