HEARTLAND COLLEGIATE ATHLETIC CONFERENCE - 2nd Place

Honors: ITA Academic All-American / HCAC Academic All-Conference - Scott Grubbs, Michael Schoumacher, David Becerra, David Pick, Stephan Lemmer, Alex Gumz, Seth Hendrickson, Brent Frizzell, Cameron Twarek, Michael Weber, Dallas Burton, Randy Billingsley, Cole Jacobs, Ian Stevenson, Anthony Silvan.

HCAC All-Conference – Michael Schoumacher and Scott Grubbs

Remarks: The 2009 season started with a host of new players and the return of some old. With basically the same team as 2008 and the addition of Dallas Burton back in the line-up the team ended up with the best overall record in ten years. Good scheduling might be the excuse and yet the record would have been better absent DePauw, St. Francis, Grand Valley State, Southern Indiana, and Vincennes. Those teams helped us become a better team and more competitive. We are again moving in the right direction. Improvement in our conference finish and the tournament show that given the right situation we have a chance to win the conference next year. Surprised at what the weight and conditioning did for two of my players this year. If the whole team gets on board we could have a banner season in 2010. Glad to have so many quality players to keep our team strong. Many of the teams commented about how many players we have and the depth of the team. This has been the source of success on the high school and now college level. Played eight in the conference tournament again which gives us depth for 2010. Great season guys! Thank you to Scott and Michael for helping make the season much easier considering all the assortment of issues going on behind the scene. Hopefully my health issues of the past year will be solved in the near future. Hope to make the Hawaii trip again next year which was a great time some ten years ago.

HEARTLAND COLLEGIATE ATHLETIC CONFERENCE – 2nd Place

Honors: ITA Academic All-American / HCAC Academic All-Conference – Nick Lester, Scott Grubbs, Michael Schoumacher, Peter Wenzel, Matt Rusin, David Becerra, David Pick, Russell Bennett, Alex Gumz, Seth Hendrickson, Ryan Taylor, Brent Frizzell, Cameron Twarek, Michael Weber

HCAC All-Conference – Michael Schoumacher and Scott Grubbs

Remarks: After the loss of six seniors from 2007, the 2008 team started with a host of new freshmen. All believing that they could play college tennis we finally settled down to one senior, four sophomores, and nine freshmen. I did the best I could to play all of them at one point or another. The strategy has been tried and true for 15 years as we always have good players to substitute in case of the loss of others. This year's team had the best win/loss record of any team in ten years. Making the finals of the conference tournament was the highlight of the season. Who knows what the future has in hold for these youngsters as they have much room for improvement. We shall see how this pans out next year as we strengthen the schedule.

Joe Rottman HCAC All- Conference

Remarks: I started off the year with high hopes. Returning six seniors from an eight man team of the year before the odds were good that we would make a major impact in the standings of the HCAC conference. After the fall two of our seniors decided not to participate. A third when we entered the season wasn't motivated to do much more than show up for a match or two. Several talented freshman helped cover the loss of the other three. We opened the season with three wins and it looked like we were destined for a banner year. Several teams had improved from last year and with the loss of our number two player the night before our second conference weekend not much could be done to salvage what would become our first losses to Franklin and Hanover in over ten years. To say the least, I was disappointed that one person can make that much of a difference in the outcome of two matches. It is what it is, and hopefully I won't make the same mistake counting on just six players. We were automatically relegated to fourth place or worse in the HCAC because of this weekend. The remainder of the season was basically a race against the weather as I would say that this was undoubtedly the worst spring weather that we have ever had in my 29 years of coaching. We didn't miss a match because we were able to schedule indoors when necessary. Enjoyed our trip south and I tend to always enjoy such events. Nice to see Matt Rusin and Peter Wenzel develop as college players. Michael took his serve and volley game to new heights after taking it on the chin early. Scott Grubbs was our early leader in wins and losses and took on the roll of third doubles master for the season. Joe Rottman and Michael Schoumacher made HCAC Player of the Week, which is a new thing for our team as we never had this opportunity in the SCAC. The team defeated Indiana Tech in the closest match of the year which was great for our team as we literally outplayed the other team down the stretch. Steven Shepson finished a second year of being Mr. Reliable in singles and learned to play doubles this year along with LaPlante and Grubbs. Joe Rottman became one of the few number one singles players to actually have a winning record at Rose after four years. This is a sad goodbye to the three seniors who have been the backbone of this team. We finished the four years two games over .500. Only one other group can honest say that they had a four year winning record. I must note, and keep in the records to come that Danny LaPlante, with a severely sprained left foot managed to survive and win the eighth and deciding game in second doubles against Defiance in the conference tournament. LaPlante was to just stand and let Steven play the points, but no, Danny charges the net on one foot and hits a winning volley. :) Unbelievable! Looking forward to 30 years and 20 years at Rose next year.

Remarks: Result the same, 5—50% but the end doesn't reflect the improvement. This is the last year of the crazy SCAC Conference; the conference where nobody plays anyone else because the distance and the cost involved. To me, this season was one of the most rewarding because I saw the improvement made by everyone on the team. The results from this year can only set the stage for great year next year. Thanks to Alex and Joe for helping me become a coach again. I really enjoyed show, telling, and teaching about the game. Thanks for listening and using the lessons to improve.

Remarks: The best and the worst can describe this season. Our team finished the highest it has finished in the Kerry Seward Wabash Invitational since 1981 and we finished last in the conference tournament for the first time since 1989. We beat Illinois Wesleyan University for the first time in the schools history at the same time lost to Earlham College 7-0 missing half of our regulars. We renewed our match with Manchester College who will be a conference foe in a few years. We likewise defeated Hanover, Franklin, and Transylvania which are also in the prospective new conference. This is a bright side of the season. Mixed bag of feelings about the whole year but must admit that without all the turmoil in coach's year this might have been one of our best years. To salvage a 9-9 season without regular directed or organized practice is a blessing. Thanks to everyone on this team that sacrificed and helped me and my family throughout the season. Thanks to Coach Davis Goble for all the behind the scene work done to make sure that we continued the season. It's nice to see that we graduate four seniors this year that have been with the program for all four years. Hopefully, next year will be a more positive one for all involved. Rose-Hulman has now had nine tied or winning seasons in the last 12 years. We aren't losers anymore!

Honors: ITA Academic All-American – Matt Jensen, Michael Bergfeld, Cam Bagley, Daniel Conley, Daniel LaPlante, Joe Rottman, Alex Hayes, Stephen Shepson, Kyle Erickson, Kevin, Hanson, Kevin Patel, Luis Pettengill, Dan Dominik, Devin Claerbout

Remarks: Kenny Payne – Terre Haute South Athletic Director when I first started coaching always told me that he was with my team win or tie. This is the first time I've ever had a team that had a tie. Probably the most unbelievable come back by anyone that I've ever coached was Dan Conley's 0-5 third set victory over Tri-State sets that mark. Cam Bagley came back from almost the same having dropped the second set and being down 3-0 in the third of the deciding match Cam won six straight games to capture the individual and team victory. We continue to be a consistent middle level team in the division III ranks. Recruiting, "Capturing" a sectional ranked player continues to be difficult. We need a couple of horses to help the rest of the team to be successful. Nice that we could play as many people in the regular line-up that we did. Compliments to how hard everyone worked in the early part of the season. It certainly made a difference in some of the matches. This was a tough personal season this year with all that was going on with my family. Hope next year will be a little less stressful.

WABASH COLLEGE KERRY SEWARD INVITATIONAL - 5TH PLACE
SOUTHERN COLLEGIATE ATHLETIC CONFERENCE - 8TH PLACE

Honors: ITA Academic All-American – Andy Feyen

Remarks: This year marks a milestone in Rose-Hulman men's tennis history. This was the first team to have completed the fourth consecutive winning season in the schools history. With victories over St. Francis University, Earlham, and Wabash we showed a marked improvement over the last two years. Andy Feyen was a great leader of the team and kept the tradition of great leadership by our senior athletes. Without his leadership and unselfish help the season would never have gone as well as it did. His play particularly in the last two weeks of the season was fantastic. Great accomplishment for the year was our trip to Florida. The travel situation still causes some headaches but things are looking up for the future and we aren't the only team facing these problems. We successfully conducted the SCAC Conference tournament at Rose this year and besides the problems of being a coach and tournament director we managed to finish slightly better than the last two years. The next two years look good with Matt Jensen, Cam Bagley, and Daniel Conley leading the way. They still have two years to compete and we actually don't have an Junior participant currently on the team. If we can strengthen the next three spots we should continue to be a successful team. I was pleased with the progress of Alex Hayes, Kevin Patel, and Dave Cornelius. They can fill these spots with a little summer play and further competition. In conclusion my fifteenth season / twenty-fifth year and fiftieth season was successful. Personally I'm amazed that I've been involved with over 800 dual matches and countless tournaments. This was one of the most enjoyable seasons of the fifty. Great job team!

Honors: SCAC All-Tournament Team – Cam Bagley, Matt Jensen, Doubles – Matt Jensen - Drew Wright
Jake Isenberg and Andy Feyen - ITA Academic All-American

Remarks: The 2002 year started of with a wealth of talent. So much so that as coach it was going to be difficult to find a place for everyone to play. By mid March many of those that I was so concerned about playing had made the decision to not play at all. With three promising freshmen it looked like we were to have a banner year of wins. This was not to be as we seldom had the complete top six players together. Take note that this was the third consecutive winning season, which hasn't been done since the early seventies. I must admit this has been the worst spring weather for tennis in my twenty-four years of coaching. Appreciate the support of players Feyen, Isenberg, and Wright for keeping the team on the right track and working hard to be competitive. Next year we host the conference tournament.

Honors: : Robert Kober - John Logan Award - Highest GPA - 4 year Athlete
Jake Isenburg, Jordan Williford, Robert Kober - Academic All-Americans,

Remarks: This year marks the first time since 1982 that our team put together back to back winning seasons. This also marks the third season of four that we had a winning mark, thus making this the best four year stretch in over twenty years. We continue to play a tough schedule which accounts for a majority of the losses. Our trip to Hawaii sets another record for distance and certainly fun. The Wright family made this whole trip possible. The team continues to hold its own against Indiana opponents Manchester, Hanover, Earlham, Franklin, and Anderson. We lost again to Wabash College which continues to be thorn in my side. I thought we had this put aside a few years ago but they continue to get better as with our team. The conference schedule and teams are amazingly tough. We played at Hendrix College in Arkansas and found out early that the conference schedule was going to be tough. Our team held a regional ranking this year of twenty-one and dropped to twenty-three in the spring. It's important to keep our name in the spotlight in anticipation of better things to come. Next year will be the first time in many that we will have a host of home matches. In the attempt to get us on the national level everything has been away. We will miss Kober, Williford, and Chaney next year but we have a host of youngsters coming that should make us a solid team. Looking forward to seeing Weyer, Gilpen, and Bergfeld play on a consistent basis. We never seem to have enough playing time for everyone. For me the most memorable event was seeing Jordan Williford hit four aces in a row on match game in his last match at singles against Oglethorpe. What a site to see! Another great year!

Remarks: Never been on the road as much as this season. The new conference puts us out of town for the first year. I'm trying to get a few teams to come visit us next year by setting the example. The outlook isn't very positive. As for the season - winner!!!!!! Nobody can complain about a winning record, our fourth over the last seven years. Let's hope that we can put a couple back to back over the next few years. We had another great academic team - average being well over the minimum 3.2. I'm satisfaction in knowing that what was once a consistent loser is now a winner. The team again had a regional ranking and has an opportunity to raise itself next year to the top ten.

Remarks: This was undoubtedly the toughest schedule ever played by a Rose team. Highlights of the season are numerous. Maybe the greatest achievement is the that we managed to play the whole season without any significant injuries. We kept to the eight man team format which means that we again have a strong team returning for the 99-00 campaign. I will personally miss the leadership of Craig Clark. He like several before him has helped make my job easier and the team a whole lot better. Two noted changes for next year will be the addition of four more teams from our region to the national tournament and a ten team format for the conference tournament. If my goals are accomplished we could make the NCAA tournament for the first time next year. We have the same break again next year and thus we are off to Hilton Head. I truly enjoyed this season and am looking forward to a great 99-00 season.

All-Academic American Team 1998 Koji Okamoto - ITA Academic All-Americans

Remarks: How do you cap off a season record better than this. In twenty years of coaching only one other team has had a better win/loss record. Our three losses came at the hands of #20 ranked NAIA Marian College in the fall, #19 regionally ranked Coe College, and #21 National Division II - University of South Carolina (Aiken). The team accomplished this record despite having only one court to use for practice and no actual organized practice program. This team broke virtually every record established at Rose. The surprise is that for the exception of Jason Owen the whole team should be back for 1999 plus some promising young talent recruited. Another successful Hilton Head Spring Break trip means we will do it again in 99. I'm hoping that this year establishes a winning tradition for Rose-Hulman. Our image by others in the tennis community hasn't been the best over the years. As I told the team early in the season; you'll know when you're getting good because others will start to complain about little things. We used to judge the team by how close we got to Wabash. With a new conference and new competition on the horizon it will be nice to set our sites for teams like University of the South, Centre, Oglethorpe, and DePauw. My goal for next season. 1) Get the freshman out of bed on time and get them to the place they need to be at the assigned time. 2) Fly the team to the conference championships regardless of whether we have a home or not!!! Great deal of thanks goes to Craig Clark for making my job easier. Great leadership!

 THOMAS-MORE MID-WINTER INVITATIONAL - 5TH PLACE
 ROCKFORD INVITATIONAL - 3RD
 INDIANA COLLEGIATE ATHLETIC CONFERENCE - 6TH PLACE

Honors: Good effort against Hanover College and a win over North Central College made this a season worth being involved with. The overall team is getting strong and strong every year. It helped having Jose Penalzoza from Bolivia in the line-up. He was the national champion of Bolivia and ranked internationally. Brighter days are ahead. Poor showing in the conference tournament.

 ROCKFORD INVITATIONAL - 1ST PLACE
 INDIANA COLLEGIATE ATHLETIC CONFERENCE - 3RD PLACE

Honors - ITA Academic All-Americans - Son Cao, Brian Brown
 Remarks: This team won the first ever championship in tennis for Rose-Hulman at the Rockford Invitational. The team had a successful trip to Hilton Head thanks to Coach Greg Ruark. Jason Reese had a great time playing his first ever matches at the six singles and three doubles position. Jason played for me at Terre Haute South. We got slightly closer to Wabash this year but a win still isn't in the for see able future. We need a few strong players in the top of the line-up.

Honors:

Our team ended the season with a 7-2 victory over Huntington College. This was a good solid win for a team that didn't win a match the previous year. We played Indiana State this year for the first time in the schools history. Coach Hopkins may be thinking to big for the quality of player. It seems that we can compete with the better schools but we need more dedicated players and a better overall program. The athletes aren't very serious about the game.

 ROCKFORD RUSTY GATES INVITATIONAL - 2ND
 COLLEGIATE ATHLETIC CONFERENCE - 8TH

Honors: Evan Kokoska should have been name to the Academic All-American team. Coach Hopkins missed the cut off date - This will never happen again. No special honors this year. Team members were: Jay Euler, Evan Kokoska, Tony Pullen, Steve Magruder, Neil Petroff, Dale Conroy, Eric Berzsenyi.

This was Dan Hopkins first season of coaching at Rose-Hulman. Jay Euler and Evan Kokoska were the leaders of this team. Tony Pullen of Yorktown, IN, was an outstanding freshman but left school at the end of the year to attend Ball State University. The team would have been better if it hadn't lost the services of the number one player from Oklahoma, who was killed in an accident during the first fall quarter. This is the beginning of a long term goal on the part of Coach Hopkins to make a national power of the Rose tennis team.
