	Trans-European networks	
	Transparency	
	Vocational training	

# III. Weaknesses of the European Parliament

- Limited legislative powers
- Limited oversight authority
  - Some over Commission, less over Council of Ministers, none over European Council
  - No single, clear executive authority
  - Executive action outside of EU
- Weak public support
  - Low turnout in elections

# Turnout in EP Elections

# IV. Improving the European Parliament

- More influence & control over legislation (right of initiation)
- More (and real) checks and balances
- Organized, disciplined and 'European' Parties
- Increased popular support
- Stop being nomads!!!
