Comparative Politics (GS 161)
Test Terms – CHINA (Chapter 13)

Each test will consist of a mix of objective questions drawn from both the lectures and reading for the week. The following list will offer you significant guidance in studying for this exam. Keep in mind that this is a guide, not as an exhaustive list, although I have tried to be thorough. All material from the course is fair game. For each term/concept you should understand both what it is and why it is significant.
