The European Union (GL 366) Exam #1 Study Guide

Your exam will be on MONDAY, JANUARY 12th. The exam will be drawn from all lectures and reading to date (McCormick Chapters 1-4 and Niell Nugent handout on integration theory). The exam will consist of various objective questions and analytical questions. The following list offers significant guidance in studying for this exam. Keep in mind that this is a guide, not as an exhaustive list, although I have tried to be thorough. For each you should understand both what the term/concept is and its relevance to European integration or the functioning of the EU.
