Why RoseSTEM? Reason #1

The number one reason to register with RoseSTEM is:

NETWORKING

In addition to looking up classmates by name, class year and major, you can also search for individuals in the alumni directory by employer and geographic location. Register with your ID number (above in header) and/or log in to RoseSTEM to start searching for fellow alumni in your area! Contact the Office of Alumni Relations with any questions.

In Loving Memory of Rachel Romas

On February 7, Rose-Hulman lost a beloved team member, Rachel Romas. Rachel was a Coordinator in the Office of Alumni Relations, primarily serving as the advisor to the Student Alumni Association.

Rachel's legacy will live on through the lives of the students she touched on Rose-Hulman's campus and through a memorial scholarship which will help students at her alma mater, Saint Mary of the Woods College.
Rachel, we miss you, we love you. Forever Rose.
