## Career Services

**Seeking Opportunity for CHE and BE Students:**  
*Rose-Hulman Alumni have a long history of paying it forward when it comes to career starts for our graduates. We are graduating the largest class of Chemical Engineers in the history of Rose-Hulman while seeing a significant decline in opportunity level from industry that would traditionally recruit these students. Our students are having great success but we would like to find additional opportunities for full time and internship positions for Chemical and Biomedical Engineering majors.*

*If you know of an opportunity at your place of employment or know of opportunity elsewhere, please email me at [hewerdin@rose-hulman.edu](mailto:hewerdin@rose-hulman.edu) and I will be sure to follow up on your lead. Thank you in advance for all of your efforts.*

Kevin Hewerdine  
Director of Career Services & Employer Relations  
812-877-8184

## Experience Continuing Education the Rose-Hulman Way:

Professionals in the Indianapolis area are invited to attend "Creating Value: Beyond Problem Solving to Creating Value", the quarterly EMGT seminar, on April 28, 2017. Seating is limited to 22 registrants. Please visit [this page](#) for more details and a link to registration. Contact Dr. Bill Kline, Professor of Engineering Management, at [kline@rose-hulman.edu](mailto:kline@rose-hulman.edu) with any questions.

JANUARY 4-15, 2018

Students, faculty, staff, alumni, and friends celebrated the third annual Attitude of Gratitude week! This year, more students than ever celebrated their gratitude by participating in educational games and donor appreciation activities. This year also saw the first ever Attitude of Gratitude donor challenge. A total of four giving challenges were met, yielding an overall result of \$65,000 in donations!

### Alumni Perks Program: Dining

Did you know that the Office of Alumni Relations offers discounts to thirteen local Wabash Valley restaurants and food vendors? To see a full list of participating locations and for details on other discounts, visit the [perks program page](#) on RoseSTEM. There you can also find instructions on how to download the app on any Apple or Android device. If preferred, contact the [Office of Alumni Relations](#) with requests for a physical discount card and one will be mailed to you.
