Student Spotlight: SAA President Mitch Lozier

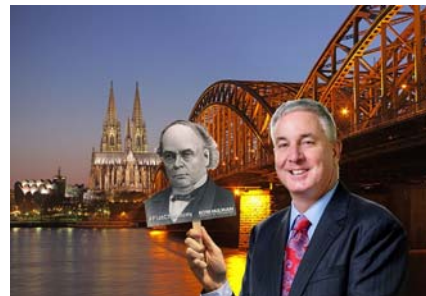

Mitch Lozier, current senior and President of the Student Alumni Association, has always been busy while here at Rose-Hulman. This year in addition to his role in

SAA, he serves as Vice President for Development of Design, Build, Fly, Sophomore Resident Tutor, and a member of Circle K, Tau Beta Pi, and Blue Key. Perhaps his most auspicious undertaking in his final year at Rose-Hulman, Mitch's senior design project is not only innovative, but potentially life saving. N.O.R.M. the Emergency Response UAV is the product of Mitch and team member Cameron Sickbert. They have designed N.O.R.M. to be used in fire, hazmat, and medical emergency situations where it is not accessible or safe for humans. You can read more about Mitch's senior design project [here](#).

Relive the nostalgia of the 1970s by [purchasing your copy of the Ski Terre Haute poster!](#) All proceeds of these poster sales go to the Student Alumni Association!

Take an Adventure with Flat Chauncey!

While you may no longer be on campus, you can still take part in the fun! This summer, we encourage you to include Rose-Hulman's founder, Chauncey Rose, in your summer adventures! Email a photo of you and Flat Chauncey to intranet@rose-hulman.edu, or post on Twitter or Instagram with the hashtag #FlatChauncey. Click the picture above to download Flat Chauncey!
