Looking For Alumni Contributions To Hurricane/Wildfire Relief Efforts

We're searching to highlight any efforts of alumni (through work or volunteerism) who have played a role in recovery efforts following last year's hurricanes that hit Texas, Florida and Puerto Rico (or other areas). Also, we would like to learn about any alumni who have assisted in the wildfires throughout California. Send information to Echoes' Executive Editor Dale Long at dale.long@rose-hulman.edu ASAP. Thanks!

Fantastic Turnout for Local Children's Museum Event

The Office of Alumni Relations would like to thank the generosity of Toyota of Terre Haute and the Rose-Hulman Student Alumni Association for helping sponsor this year's night at the Terre Haute Children's Museum. Over 110 members of the Rose-Hulman family came out to celebrate curiosity and play.

Save the Date!

Mark your calendar for two of the most anticipated events of the spring! The Office of Alumni Relations is proud to host the 2018 Alumni Awards Reception on March 24th, 2018 in the newly renovated Lake Room of the Student

Jason Marvin is so dedicated to the Student Alumni Association that the bylaws changed for him. Prior to 2017, the Student Alumni Association was a strictly undergraduate organization. However, after Marvin was accepted into Rose-Hulman's Chemical Engineering graduate program, the governing body of SAA voted to extend the membership to graduate students as well. Earning his B.S. in May of 2017, Marvin will begin his career in the oil industry after his second graduation in the summer of 2018. Outside of SAA, Marvin's favorite RHIT extra curricular is being a Resident Assistant for Deming Hall. In SAA, he is a co-chair for the Student and Alumni Engagement Committee.

Union.

Rose-Hulman will be returning to the Indianapolis Motor Speedway in 2018 for the annual Pole Day qualifications on May 20, 2018. The Office of Alumni Relations will be announcing ticket purchasing information soon.
