"Rose has helped to forge the path for so many incredible alumni, alumni who are quite literally making a global impact and changing the world. I enjoy getting to know and helping those alumni stay close to the school that's aided them in their successes. Not only that, but I also enjoy helping foster and grow the bonds between students, alumni, faculty, staff, and the school in general for anyone with a vested interest in Rose-Hulman."

Rose-Hulman will be returning to the Indianapolis Motor Speedway in 2018 for the annual Pole Day qualifications on May 20, 2018. The Office of Alumni Relations will be announcing ticket purchasing information soon.
