### Spotlight: Attitude of Gratitude and Alumni Awards Ceremony

At the end of March, Rose-Hulman celebrated a week of gratitude for our donors and those who contribute to the legacy of the Institute with two wonderful events. Attitude of Gratitude week is in its fourth year for campus programming and second year celebrating with a donor giving component. In combination of the two giving challenges, our donors raised over \$96,000 for the Institute! Saturday, March 24th, the Office of Alumni Relations hosted the annual Alumni Awards Celebration, where 17 individuals received awards for their many accomplishments. You can find pictures from the Alumni Awards Celebration [here](#). Click the video below to watch a clip of the campus activities during Attitude of Gratitude week!
