**Emilie Hobbs Memorial Scholarship 5K**

During the 4 years I attended Rose I realized that it wasn’t just a “family-like” atmosphere, it was a family. This became very evident after one of my cross country and track teammates passed away this winter. Emilie Hobbs was a biochemistry major that graduated from Rose-Hulman in May 2017. She passed away February 28, 2018.

I attended the funeral later that week and was impressed at how many people attended and half of them were from Rose-Hulman. They ranged from professors to coaches to teammates. Everyone was there to support her family and to show how much of an impact she had on their lives.

In July, Emilie’s family held a memorial run for her in order to raise money for a scholarship fund they had created in her name. Again, the Rose-Hulman family showed how strong their bond really was, 28 teammates, coaches, and staff came together to run for her. I am glad I had the opportunity to know Emilie, even if it was only for a short while. - Anna Taylor, CHE, ’15

Click here to see minutes from the meeting.

Echoes

Did you receive your Echoes Magazine but prefer to read it online? It is available for viewing at: https://issuu.com/rosehulman/docs/echoes_summer_2018.

Do you have an announcement to submit for Echoes? Please email Dale Long to share your class notes and photographs, including weddings and birth announcements.

Information Update

Have you moved? Have you changed phone numbers? Has your email address changed? If you answered YES to any of these questions, please visit RoseSTEM and update your profile information. Keeping your information current, helps us keep you informed of all the events taking place. Please take a moment to look at your profile and update your information as necessary.

Chauncey Day & Senior Kick-Off

Don't forget to commemorate the legacy of Chauncey Rose. In September of 1874 our great institute was founded. Chauncey Day has been celebrated on the second Thursday of September to promote the gathering of Rose-Hulman alumni and students for the purpose of remembering the man who paved the way to greater education for thousands of people around the world.

This year, Senior Kick-Off coincides with Chauncey Day on September 13th! Please stop by the kick-off to get a selfie with Chauncey and meet our current seniors who will soon join you as Alumni.

Soar to Campus for the Terre Haute Air Show

Join us for a high-flying weekend on August 18th and 19th that includes prime seats at the Terre Haute Air Show. This spectacular two-day air show features the jaw-dropping aerial ballet of the U.S. Navy's Blue Angels, the U.S. Marine Corps "Fat Albert" C-130, vintage military aircraft, the Budweiser Clydesdales, an opportunity to take to the sky and much more.

Revisit your college days by staying in the Apartments, meeting old friends and checking out what’s new at Rose. You are welcome to bring your family or reserve a single suite. We will handle all of the transportation to and from the show. In addition, great meals will be provided. There will be a welcome dinner Friday night, a Saturday cookout, evening socials and other fun activities.

The spectacular Terre Haute Air Show is a great event right on our doorstep, so do not miss this opportunity to visit Dear Old Rose while enjoying an exciting, family-friendly weekend. Check out the one and two-night packages we offer and register here. See you at
Homecoming is fast approaching. If you would like to lend a helping hand, please contact Alumni Relations. There are several events throughout the weekend that we are going to need volunteers to help us with. This is a wonderful way for you to reconnect with former classmates and make new friends. If you have an hour or two that you would be willing to share with us, we would love to hear from you.

Recycling Survey

The Rose iGEM (International Genetically Engineered Machine) team is focused on a project to improve recycling methods by modifying bacteria to eat plastic. Please consider helping them by filling out a survey that asks your opinion on current recycling and how they could implement their project.

Senior Capstone Project

Does your company or organization want to partner on a senior capstone project? The multi-disciplinary design team is seeking out exciting projects for the 2018-2019 academic year. Check out the following informational sheet to learn more about how to submit your project. Please contact Dr. Jay McCormack with any questions.

Celebrating 50 Years of Phi Gamma Delta!

This upcoming year, the Rho Phi Chapter of Phi Gamma Delta is celebrating 50 years of Fiji at Rose-Hulman! Over the course of the next academic year, there will be numerous hosted events giving graduates the opportunity to connect with the chapter.

The 50th annual Frank Norris pig dinner will be on May 4th, 2019. Contact Chapter President Will Byers with any questions at 970-361-1695. Please email 50th@rosefiji.com to update your contact information. For additional information click here.
