## **HOMEcoming 2018 IS JUST AROUND THE CORNER!**

Come **Join** the Fun!

Homecoming 2018 is shaping up to be bigger and better than ever! With new activities being added along with the expansion of the Alumni Beer tent, it's sure to be a good time. Here are just a few things to look for this year.

**Groundbreaking:** The new Academic Building groundbreaking will take place

### Upcoming Events

**Chauncey Day & Senior  
Kick-Off**  
September 13th

**GHC 2018 - Women in Computing**  
Houston, Texas  
September 26-28, 2018

**Homecoming 2018**  
October 5th-6th

**Louisville Urban Bourbon Tour**  
October 27th

### **Alumni Trips**

**Normandy**  
July 2019

**Oberammergau**

on Friday at 2:30 p.m. near the Water Tower, followed by the dedication of the Bridge Building.

June 2020

**Tent City:** Will feature a live band, food trucks and bookstore items for sale (cash only). The always popular kids zone will have bounce houses, face painting and balloon animals. We will have a new picnic area available with cornhole games and more. In addition, you'll be in close proximity to the kids zone so you can keep an eye on the kiddos. There will also be an opportunity to take your photo with the RHIT letters.

**Reunions:** Are you planning on attending a class reunion this year? If yes, please remember to register ASAP. In order to have an accurate count for the caterer, your reservation must be received by September 19th. There will be an additional \$15 charge for walk-ins without a reservation. Click [here](#) to register.

**Golden Gala:** This year we will feature a jazz singer performing live. The Rose-Hulman Student Chorus will also be performing. Alumni Relations is putting together a slideshow gallery of images from 1968 and earlier that will be shown during the evening. If you have photos of your time here at Rose that you would like to share, please email them to [Charlie Ricker](#). You can also mail photos to Alumni Relations, Attn: Charlie Ricker, 5500 Wabash Avenue, Terre Haute, IN 47803 (photos will be returned).

**Rose-Hulman Ventures Open House:** This tour provides an opportunity to see the Ventures building, innovation stage developments in areas like medical devices, software, consumer products and other areas. These innovations focus on delivering real value to client companies on practical applications with the help of Rose-Hulman Ventures staff and interns. Individuals may travel to Ventures on Saturday, October 6th, any time between 4-6 p.m. Tours will begin at the front desk. For more information about Ventures, click [here](#).

## RoseSTEM: Alumni Events

# Rose-Hulman ranked No. 1 for Two Decades

U.S. News & World Report has just released the news about this year's college guide rankings, and once again for the 20th consecutive year, Rose-Hulman has been ranked as the BEST for undergraduate engineering.

In addition to our overall ranking, the following engineering departments were ranked No. 1 in their academic major: Civil Engineering, Computer Engineering, Electrical Engineering and Mechanical Engineering. View the entire article [here](#).

## Experienced Talent Needs; Spotlight

Rose-Hulman is committed to helping you get your first job and your next job. Alumni can register at <https://app.joinhandshake.com/> to see hundreds of open positions in their field. Please contact Career Services and Employer Relations at 812-877-8312 or email [gresham1@rose-hulman.edu](mailto:gresham1@rose-hulman.edu) if you have any questions or need assistance. Refer a company at <https://www.rose-hulman.edu/career-services/company-referral.html> if you'd like RHIT to reach out and connect with them about internships, co-ops and employment.

~**Firmware Design Engineer.** KMC Controls. New Paris, Indiana. Design and implement embedded software solutions for real time, network based, HVAC applications, perform module and system level verification

**Rosie 5k ROTC Fun Run/Walk:** Looking to get in some exercise prior to a day of Homecoming activities? If so, sign up for the ROTC/Rosie 5k, which also supports the Rose-Hulman ROTC program. You can do so [here](#).

**Alumni:** Please stop by Hatfield Hall to sign the guest book and enter to win a Rose-Hulman prize package. Be sure to pick up your Homecoming keepsake. To view the complete weekend schedule and to register, click [here](#).

Please contact the [Office of Alumni Relations](#) with any questions. For lodging information click [here](#).

## Alumni Award Nominations

This year the nominating process has changed to make it easier for those nominating. Nominations can be submitted through RoseSTEM [here](#). Self-nominations are also welcome! **Submissions are due by Monday,**

testing, assist in product development.

~**Systems Engineer 2.** Crown Equipment. New Bremen, Ohio. Develop, conceive and evaluate electro-mechanical based systems including software controls, specifications and performance analysis for lift trucks.

~**Validation Engineer.** Millipore Sigma. Kokomo, Indiana. Manage the Validation Process activities during the product design cycle from product concept to production launch.

~**Equipment Engineer II.** North American Lighting. Paris, Illinois. Provides engineering support to the assembly processes to include: the analysis, design, development, planning, and the execution of improvement to the assembly processes through process systems design, equipment design, and automation.

~**Senior Engineer (Finishing).** ArcelorMittal. Cleveland, Ohio. Review SOPs, work on continuous improvement processes, lead daily management Key Performance Indicators, participate in equipment upgrades

## Information Update

Have you moved? Have you changed phone numbers? Has your email address changed? If you answered YES to any of these questions, please visit [RoseSTEM](#) and update your profile information. Keeping your information current helps us keep you informed of all the events taking place. Please take a moment to look at your profile and update your information as necessary.

October 15th.

## Calling ALL Volunteers

### Echoes

Did you receive your Echoes Magazine but prefer to read it online? View it [here](#).

Do you have an announcement to submit for Echoes? Please email [Dale Long](#) to share your class notes and photographs, including weddings and birth announcements.

Homecoming is fast approaching. If you would like to lend a helping hand, please contact [Alumni Relations](#). There are several events throughout the weekend that we are going to need volunteers to help us with. This is a wonderful way for you to reconnect with former classmates and make new friends. If you have an hour or two that you would be willing to share with us, we would love to hear from you.
