

Navigation and Parking

Rose-Hulman's campus (address: 5500 Wabash Ave, Terre Haute, IN, 47803) has a prominent **main entrance** that can be accessed from Wabash Avenue (US 40). There is a traffic light at this main entrance and a sign that looks like this:

After turning in to campus at the main entrance, take the following path to the **Myers Lot**, where you will park. After entering campus, take the first right. Drive until you reach the stop sign, then take a left at the fork. The Myers Lot will be directly on your left. Event parking signs should be present on the day to help with locating the lot.

The Myers Lot is directly adjacent to the **Fowler Academic Building (FAB)**, where check-in and most other conference activities will occur. Note that on Google Maps, this is labeled as the New Academic Building. You will also pass this building driving into campus to get to the Myers Lot (the building will be on your left). The building looks like this from the sidewalk next to the Myers lot. You will be able to enter through the doors directly under the “Fowler Academic Building” lettering, and check-in should be visible once you enter these doors.

Entering the building, you will be on the **FAB 1st Floor**. Directly in front of you are stairs that will take you to the **FAB 2nd Floor**, which is where all rooms beginning with J are located. Walking up the staircase, rooms J204, J206, and J208 will be on the left. J213, J215, and bathrooms will be on the right, in addition to water fountains with stations to fill reusable water bottles. The last location, **B111**, is most easily accessed from the **FAB 2nd Floor**. Signage will be available on the day of the conference to help you locate the room, and some Rose-Hulman volunteers will also be available to help you navigate as needed.
