

# Project Presentations, C Kickoff

---

Rose-Hulman Institute of Technology

Computer Science and Software Engineering

# Today's Plan

---

- Hand in take-home quizzes (questions about the first two videos)
- Project presentations
- Exam 2 Review
- C Workspace and Video Troubleshooting

Show off your hard work!

# Project Presentations

On ANGEL: Lessons → Project and Partner Survey

**Team Project Survey due tomorrow,  
noon**

# Exam

---

- Chapters 1-11
- Computer part will count ~70%
- Check out Test2\_Practice from your repo
  - Read and do the great practice problems
  - Optional practice session with Dr. Mutchler, Weds 7-10 pm in F217 lab. Good time to do them
- Do you have questions now?

# C Kickoff

---

- If videos stutter while streaming, **right-click video links and Download or Save**
- Note the page of links to videos on YouTube.
- Get help in class if you had trouble getting C workspace working

# Back to Python for the Exam!

---

- Once C works for you and those around you...
- In Eclipse, choose **File** → **Switch Workspace** (or switch to PyDev perspective if you used the same workspace) to switch back to Python before leaving today
- Don't forget:
  - Complete the Team Project and Mid-term surveys by Tomorrow noon
  - Watch the next set of videos and complete the take-home quiz before the next class after the exam.
