

# Project Presentations, C Kickoff

---

Rose-Hulman Institute of Technology  
Computer Science and Software Engineering

# Today's Plan

---

- Hand in take-home quizzes over videos
- Project presentations
- Exam 2 Review
- Changing your CSSE password
- C Workspace and Video Troubleshooting

Who's on first?

**Questions?**

That's right, Who.

# Project Presentations

On ANGEL: Lessons → Projects → Team Survey

**Team Project Survey due Fri., 5pm**

# Exam Review

---

- Chapters 1-11
- Please don't discuss the exam with anyone in the other sections, include how hard or easy it was

# Changing Your CSSE Password

---

- Should have received temp. password in email
- To change:
  - Launch SecureCRT
  - Click QuickConnect (2<sup>nd</sup> button)
    - Server: derek.csse.rose-hulman.edu
    - Username: *your usual user name*
  - When prompted for password use the emailed temp. CSSE password
  - Once logged in enter: **kpasswd**
    - For old password, enter the emailed temp. CSSE password
    - For new password, use your regular Kerberos password (or whatever)

# C Kickoff

---

- If videos stutter while streaming, **right-click video links and Download or Save**
- Get help now if you couldn't watch the videos
- Get help now if you had trouble getting C workspace working

# Back to Python for the Exam!

---

- In Eclipse, choose File → Switch Workspace and switch back to Python before leaving today
- Don't forget:
  - Complete Team Project Survey by Fri., 5pm
  - Watch the next set of videos **before class Tues.**
