Changing Your CSSE Password

- Should have received temp. password in email
- To change:
 - Launch SecureCRT
 - Click QuickConnect (2nd button)
 - Server: derek.csse.rose-hulman.edu
 - Username: *your usual user name*
 - When prompted for password use the emailed temp. CSSE password
 - Once logged in enter: **kpasswd**
 - For old password, enter the emailed temp. CSSE password
 - For new password, use your regular Kerberos password (or whatever)

C Kickoff

- If videos stutter while streaming, **right-click video links and Download or Save**
- Get help now if you couldn't watch the videos
- Note the page of links to videos on YouTube.
- Get help now if you had trouble getting C workspace working

Back to Python for the Exam!

- In Eclipse, choose **File** → **Switch Workspace** (or switch to PyDev perspective if you used the same workspace) to switch back to Python before leaving today
- Don't forget:
 - Complete the Team Project Survey by Friday, noon
 - Complete Mid-term survey by Tomorrow noon
 - Watch the next set of videos and complete the take-home quiz before Tuesday's class.
