

Minutes for project meeting 1/17/03 from 3:27pm – 3:47pm

Attendance: All were present. Steve showed up around 3:43

1. Project update
 - Computer system is in CS lab
 - Computer system does not work yet.
 - We got copies of different versions of Lotus
 - Who's Who
 - a. Testing: Ian, Jeff, Josh, Mike
 - b. Programming: Bret, Jeremy, Steve
 - i. These guys figure out how code is supposed to work, and fix it.

2. Where we go from here:
 - Over the weekend: Check out the computer system, get it working
 - By Monday: Need new project plan
 - By Middle of Next week: Get Preliminary test plan drawn up
 - By Next Friday: Prepare Use Cases
