

CSSE 304 Day 39 Summary

1. Course evaluations. I hope you'll do more than just check the boxes. I hope you'll explain why you feel that way.
2. Exam expectations. An opportunity for you to ask questions.

call/cc example is on the back of the page.

3. Another call/cc example. We will start it; may not have time to finish it.

```
(let ([y (call/cc (call/cc (call/cc call/cc)))]  
      (y list)  
      (y 4)))
```
