CSSE 343 – Cybercrime and Digital Forensics
Rose-Hulman Institute of Technology
Computer Science and Software Engineering Department

Homework 5

Read the hypothetical network forensics investigation scenario in your textbook "Computer Forensics" on page 323 and answer the three questions. (In case you have a digital copy of the book, this is in a gray box at the end of Chapter 12).

Justify your answer with clear arguments and cite any sources you use. Your submission should be:

- 1–2 pages

- double-spaced

- 12pt font

Upload a pdf file to moodle.
