

MARCH 8, 2018

CSSE 490 LAB 1

EXAMINERS:

Preliminaries

Sid Stamm (stammsl@rose-hulman.edu)

Paula Deen (deenp@butter.com)

CH 2 (Digital Forensics Workbook)

3/8/18  
8:06AM

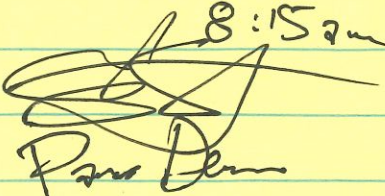

Dr. Stamm provided us with a USB drive as Evidence. It is black & silver with no other markings.

We followed steps 1-12 in chapter 2 to configure the registry to disable writing to storage devices

3/8/18  
8:11 am

Paula inserted the USB drive into the left usb slot on her computer and opened it in windows Explorer. She tried to make a file with the Right-click → New menu, but it gave us an error message. Write is disabled.

This ends CH 2.
