## LIKES AND DISLIKES

## UNSCIENTIFIC

"IDEAS ARE TESTED
BY EXPERIMENT."
THAT IS THE CORE
OF SCIENCE.
EVERYTHING ELSE
IS BOOKKEEPING.

BY TEACHING PEOPLE TO HOLD
THEIR BELIEFS UP TO EXPERIMENT,
MYTHBUSTERS IS DOING MORE TO
DRAG HUMANITY OUT OF THE
UNSCIENTIFIC DARKNESS THAN
A THOUSAND LESSONS IN RIGOR.
SHOW THEM
SOME LOVE.

the myth that
electroweak
symmetry is broken
by the Higgs
mechanism. We'll also
examine the existance
of God and whether
true love exists.

## SUITABLE AND UNSUITABLE PROJECTS

- Medical doctors might discuss this in terms of indications and contraindications
  - Factors that argue for or against (resp.) a particular "treatment"
- Take 5 or 6 minutes to work with your project team on questions 3 and 4
- Then we'll list indications and contraindications
