9. (t-6) 20.11
10. (t-6) 20.12
11. (t-9) 20.13 In a previous term, several students thought this problem was tricky. I suggest that you begin thinking about it a few days before it is due.

There are no Piazza posts from previous terms about HW 16, except some that were asked about the solutions after they were posted.
